

Okta Free Trial Service Terms and Conditions for the Beta Agent Features

The beta versions of the features that are components of Okta for AI Agents (collectively, the “**Beta Agent Features**”) are a Free Trial Service as defined in the most recent version of Okta’s Master Subscription Agreement at www.okta.com/legal (the “**Agreement**”). The Beta Agent Features are available for Customer to try, at its option, at no additional charge, for testing and evaluation purposes.

These Free Trial Service Terms and Conditions for the Beta Agent Features (these “**Terms**”) apply to the Beta Agent Features and supplement the applicable Free Trial Service terms in the Agreement. All capitalized terms not defined herein shall have the meaning set forth in the Agreement. Okta for AI Agents is subject to the applicable Okta for AI Agents Terms and Conditions.

By submitting this form, Customer agrees to these Terms, the applicable Free Trial Service terms in the Agreement, and [Okta's Privacy Policy](#) during Customer’s use of the Beta Agent Features. If there is a conflict between these Terms on the one hand, and the applicable Free Trial Service terms in the Agreement and/or the applicable Okta for AI Agents Terms and Conditions on the other, these Terms will control with respect to Customer’s use of the Beta Agent Features.
